CHOOSE ZSF FOR YOUR ZAKAT & SADAQAT PAYMENT/ COLLECTION SOLUTIONS

At Zakat & Sadaqat Foundation, we are fully conscious that zakat and sadaqat payers are concerned about the judicious disbursement of their contributions.

Therefore we are always guided by the injunctions of Allah and the expectations of zakat and sadaqat payers. Our experiences over the years have put us in good stead over and above others. And your trust will never be misplaced .

OUR SERVICES

ZAKAT ASSESSMENT, COLLECTION AND DISTRIBUTION

Our primary objective is to provide quality zakat assessment, collection and distribution services to both private and public individuals as well as corporate bodies. We are ever-ready to respond to any of your inquiries on zakat assessment, sadaqat payment or distribution anytime of the year. Zakat assessment, sadaqat payment or distribution anytime of the year.

ECONOMIC EMPOWERMENT SUPPORT

Zakat collected is used to procure merchandise goods, vocational materials, and equipment among others. This, we do in order to assist the poor to establish small-scale enterprises or repositioning of existing ones.

EDUCATIONAL SUPPORT

In fulfillment of the obligation of Allah to acquire knowledge, ZSF is seriously concerned about the education of Muslim students. Therefore, we pay school fees for indigent Muslims, procure educational materials for and give research grants to both local and international students among others.

MEDICAL SUPPORT

As a matter of priority, this is one area that touches our hearts deeply. We help those in need to off-set their bills, procure medications, treatment, undergo surgical operations within and outside the country as the situation demands.

WIDOWS/ ORPHANS' SUPPORT

ZSF is fully committed to putting a smile in the faces of widows and orphans. This, we try to accomplish through the Sadaqat we collect from donors. During Ramadhan, Eid-ul-Fitr and Eid-ul-Adha festivals , ZSF usually provides food items, clothing materials and some monetary incentives to these people.

IFTAR SAIM SUPPORT

Annually, we organise Iftar Saim (i.e. feeding of fasting Muslims) across the Southwest and some parts of the South-South and northern parts of the country. We provide bags of rice, live chickens, beverages and fruits among others.

MOSQUE SUPPORT

We support the building of new mosques or renovation of existing ones. In addition, we provide utility materials to other ones as the case maybe.

EMERGENCY RELIEF

Our primary concern in this regard is to bring succour to victims of flood, fire disaster, ethno-religious and conflicts. This, we achieve by donating house-hold utensils, food items, clothing materials and funds for the rehabilitation of victims among others.

SADAQATU JARIYAH

We encourage Muslims to revive the culture of executing projects that the less-privileged would continuously benefit from while the executor (s) too will continuously reap bountiful rewards from Allah. This can be accomplished by digging boreholes, building schools, provisions of good motorable roads among others.

INFAQUL AFUW (DISPOSING FAIRLY USED MATERIALS)

Many well-to-do people have abandoned materials in excess and are left unattended to; thus, they get rotten away even as their fellow men and women suffer in abject poverty. To assist the have and have-not in this direction, we encourage people to donate used or abandoned materials to us for onward distribution to the less-privileged ones and hence get reward from their Lord.

WAQF

We collect donations of land, buildings or money as an endowment, which are invested, the profits from which are given away as charity for indigents, or for construction of public utilities such as borehole, schools, hospitals etc.

SUPPORT SERVICE TO MUSLIM ORGANIZATIONS

There are many Muslim Organisations propagating pristine Islam and in their endeavours, they encounter a number of challenges impeding their growth and development. To complement their efforts, we provide office needs, furniture,

propagation instruments, food items for camping programmes, sponsorship of seminars/ workshops among others.

DETERMINING AND SHARING INHERITANCE

ZSF assists in the administration of deceased estates and in most cases, we offer professional advice on inheritance that is Shariah compliant based on request.

Chairman Opening Speech

I am highly delighted to welcome you to the 19th Lagos Zakat Distribution Ceremony. The major economic reform that our country is passing through is seriously affecting both the rich and poor. And this has put more pressure on us in terms of screening thousands of applicants that applied for assistance this year as a result of various challenges they were facing. The details of our disbursement are contained in the ED brief.

Kindly permit me to congratulate all the lucky beneficiaries of this year zakat while at the same time appeal to other applicants that we were unable to attend to their request due to insufficient zakat collected. I pray ALLAH to open His door of mercy to all of us.

Our role as intermediary between zakat donors and beneficiaries is a very sensitive one and of trust. Some donors may suddenly shift their patronage from us due to pressures from other channels while applicants may not be happy with us for not acceding to all or none of their requests. But over the years we have remained committed to this trust consistently. This accounts for why we have annually held this event to the glory of Allah and the happiness of our stakeholders. We have continuously met the needs of our stakeholders through transparency and accountability.

May I use this opportunity to express our sincere appreciation to our advisory board members ably led by Alhaji (Dr.) Umaru Abdul Mutallab, all the religious leaders in Lagos state, headed by our Sheikh (Engr.) Sulaiman Oluwatoyin Abou-Nolla, all our invited guest of honour and gentlemen of the press for your unflinching support to the success of all our activities.

My speech remain inconclusive without continuing thanking all the Zakat payers and charity donors that have chosen Zakat and Sadaqat Foundation as their preferred vehicle to discharge the religious responsibility of taking care the needs and poor in our midst. May ALLAH continue to bless you and protect you from all calamities.

Thank you

Prof. Tajudeen Olalekan Yusuf
