VISION

To be a foremost and leading organisation committed to improving the welfare of the less-privileged and adding value to stakeholders' support

MISSION

To help the rich enrich the poor
To care and touch people's life
To benefit humanity in general

OBJECTIVES

- To bridge the gap between the rich and the poor
- To re-awaken the spirit of social responsibility among the Muslims
- To return Zakat to its right position in Islam
- To create a credible channel of distribution of Zakat
- To ensure even distribution of wealth for empowerment of the less privileged ones
- To establish cordial relationship with other similar organisations both locally and internationally

CORE VALUES

The acronym **PACT** is our core values which means:

- **Professionalism** which implies our expertise and competence
- **Accountability** to Allah and the stakeholders which implies our stewardship
- **Care** to humanity which implies our dedication
- **Trust** from Allah and the stakeholders which implies responsibility and confidence reposed in us

ABOUT US

BACKGROUND

Zakat and Sadaqat Foundation is the foremost Zakat institution in the country. The foundation, otherwise known as ZSF came into being out of the concern to revive the most neglected pillar of Islam in the year 2000. It was incorporated in 2006 by the Corporate Affairs Commission of Nigeria (RC 21237).

VISION

To be the foremost and leading organisation committed to improving the welfare of less privileged and adding value to stakeholders' support.

OUR MISSION

1. To help the rich enrich the poor
2. To care and touch people's life
3. To benefit Muslims and humanity in general

OBJECTIVES

Key objective of ZSF are:

1. To return Zakat to its rightful position among Muslims
2. To ensure the even distribution of wealth for the empowerment of the less privileged
3. To create a credible channel of distribution of Zakat
4. To re-awaken the spirit of social responsibility amongst Muslims
5. To bridge the gap between the rich and the poor
6. To establish cordial relationships with other similar organisations both locally and internationally

OUR CORE VALUES

The acronym **PACT**, are our core values; and it represents:

Professionalism which implies our expertise and competence

Accountability to Allah and the Muslims which implies our stewardship

Care to the Muslims which implies our dedication

Trust from Allah which implies responsibility and confidence in us

CHOOSE ZSF FOR YOUR ZAKAT & SADAQAT PAYMENT/ COLLECTION SOLUTIONS

At Zakat and Sadaqat Foundation, we are fully conscious that zakat and sadaqat payers are concerned about the judicious disbursement of their contributions.

Therefore we are always guided by the injunctions of Allah and the expectations of zakat and sadaqat payers. Our experiences over the years have put us in good stead over and above others. And your trust will never be misplaced .

OUR SERVICES

ZAKAT ASSESSMENT, COLLECTION AND DISTRIBUTION

Our primary objective is to provide quality zakat assessment, collection and distribution services to both private and public individuals as well as corporate bodies. We are ever-ready to respond to any of your inquiries on zakat assessment, sadaqat payment or distribution anytime of the year.

ECONOMIC EMPOWERMENT SUPPORT

Zakat collected is used to procure merchandise goods, vocational materials, and equipment among others. This, we do in order to assist the poor to establish small-scale enterprises or repositioning of existing ones.

EDUCATIONAL SUPPORT

In fulfillment of the obligation of Allah to acquire knowledge, ZSF is seriously concerned about the education of indigent students. Therefore, we pay school fees for indigent Muslims and non muslims, procure educational materials and give research grants to both local and international students among others.

MEDICAL SUPPORT

As a matter of priority, this is one area that touches our hearts deeply. We help those in need to off-set their bills, procure medications, treatment, undergo surgical operations within and outside the country as the situation demands.

WIDOWS/ ORPHANS' SUPPORT

ZSF is fully committed to putting a smile in the faces of widows and orphans. This, we try to accomplish through the Sadaqat we collect from donors. During Ramadhan, Eid-ul-Fitr and Eid-ul-Adha festivals , ZSF usually provides food items, clothing materials and some monetary incentives to these people.

IFTAR SAIM SUPPORT

Annually, we organise Iftar Saim (i.e. feeding of fasting Muslims) across the Southwest and some parts of the South-South and northern parts of the country. We provide bags of rice, live chickens, beverages and fruits among others.

MOSQUE SUPPORT

We support the building of new mosques or renovation of existing ones. In addition, we provide utility materials to other ones as the case maybe.

EMERGENCY RELIEF

Our primary concern in this regard is to bring succour to victims of flood, fire disaster, ethno-religious and tribal conflicts. This, we achieve by donating house-hold utensils, food items, clothing materials and funds for the rehabilitation of victims among others.

SADAQATU JARIYAH

We encourage Muslims to revive the culture of executing projects that the less-privileged would continuously benefit from while the executor (s) too will continuously reap bountiful rewards from Allah. This can be accomplished by digging boreholes, building schools, provisions of good motorable roads among others.

INFAQUL AFUW (DISPOSING FAIRLY USED MATERIALS)

Many well-to-do people have abandoned materials in excess and are left unattended to; thus, they get rotten away even as their fellow men and women suffer in abject poverty. To assist the have and have-not in this direction, we encourage people to donate used or abandoned materials to us for onward distribution to the less-privileged ones and hence get reward from their Lord.

WAQF

We collect donations of land, buildings or money as an endowment, which are invested, the profits from which are given away as charity for indigents, or for construction of public utilities such as borehole, schools, hospitals etc.

SUPPORT SERVICE TO MUSLIM ORGANIZATIONS

There are many Muslim Organisations propagating pristine Islam and in their endeavours, they encounter a number of challenges impeding their growth and development. To complement their efforts, we provide office needs, furniture,

propagation instruments, food items for camping programmes, sponsorship of seminars/ workshops among others.

DETERMINING AND SHARING INHERITANCE

ZSF assists in the administration of deceased estates and in most cases, we offer professional advice on inheritance that is Shariah compliant based on request.

HOW TO PARTNER WITH ZSF

With our Staff-members stationed across the southwest and some parts of the northern region of the country, the procedures of engaging us either to pay your Zakat or Sadaqat subscription or both are:

Step 1: Contact Us

1. Call our Office or Staff-member.
2. Download forms from our website;
3. Complete the form and submit same.

Step 2: Payment

1. You may wish to pay directly into our Zakat Account for Zakat payment or pay through our staff-member who shall issue you with receipt, or
2. Pay directly into our Sadaqat Account for your subscription or through our staff-member who shall issue you with an official receipt.
3. For any other payment please pay using any of the designated account below.

CHAIRMAN OPENING SPEECH

Welcome Address by the Chairman of the Board of Directors of Zakat and Sadaqat Foundation

Distinguished Guests, Fellow Board Members, Esteemed Beneficiaries, Ladies, and Gentlemen,

Assalamu Alaikum wa Rahmatullahi wa Barakatuh,

It is with great honor and gratitude that I stand before you today as the Chairman of the Board of Directors of the Zakat and Sadaqah Foundation. On behalf of the entire board, I extend a warm and heartfelt welcome to each and every one of you especially the Chairman of the occasion, Alhaji Dhikrullah Hassan, you are mostly welcome.

Today is a day of fulfillment, a day that encapsulates the very essence of what we stand for as a foundation. It is a day when we come together as a community to ensure that the blessings of wealth are shared equitably among those who are less fortunate. The act of giving Zakat is not merely a charitable act; it is an obligation upon those of us whom Allah (SWT) has blessed with wealth, to purify our earnings and to help uplift the lives of our brothers and sisters in need.

This gathering reflects the collective efforts of our stakeholders, united by the principles of compassion, empathy, and solidarity. It is a testament to our commitment to fulfilling the divine duty of sharing what we have with those who have less. The Zakat we distribute today is not just a financial support; it is a symbol of hope, a source of relief, and a stepping stone towards a better and more dignified life for our beneficiaries.

I would like to take this opportunity to commend the tireless efforts of our foundation's staff, volunteers, and partners who have worked diligently to ensure that this distribution is carried out efficiently and fairly. Your dedication and hard work are invaluable to the success of our mission.

To our esteemed beneficiaries, we want you to know that you are not alone. The Zakat and Sadaqah Foundation is here to support you, not just today, but in the long journey ahead. We are committed to providing you with the resources and opportunities needed to improve your lives and the lives of your families. We pray that this Zakat brings you ease and helps you in your endeavors to achieve stability and self-sufficiency.

As we proceed with the distribution today, let us all remember the true purpose of Zakat—to cleanse our wealth and to act as a means of social welfare. Let us also take a moment to reflect on the importance of unity and mutual support within our community. It is only by standing together that we can overcome challenges and build a future filled with peace, prosperity, and goodwill.

In conclusion, I extend my sincere thanks to all who have contributed to making this event possible, zakat payers, the organizers, and every individual who has played a role in this noble cause. May Allah (SWT) accept our efforts, bless us with His mercy, and continue to guide us on the path of righteousness.

Once again, I welcome you all and thank you for being part of this important occasion. May today's distribution be a source of blessing and a reminder of our shared responsibility towards one another.

Jazakum Allahu Khairan.

Wassalamu Alaikum wa Rahmatullahi wa Barakatuh.

Professor Tajudeen Olalekan Yusuf

Chairman, Board of Directors

EXECUTIVE DIRECTOR SPEECH

Permit me to join Prof Tajuddeen Yusuf, the Chairman BOD, Zakat and Sadaqat foundation in welcoming you all to this auspicious occasion; the 20th Zakat Distribution ceremony.

This year's Zakat disbursement started on 27th of June with the disbursement of over 30 million naira to 300 widows and indigent students. Till date, we have disbursed zakat across 27 states in the country to over 2,897 beneficiaries to the tune of N385,303,007 as against N294,680,412 disbursed last year to 3,624 beneficiaries respectively. Alhamdulillah, the figure increased by almost N100,000,000, which represent 31 percent increment in zakat disbursement across those states. The reduction in the number of beneficiaries was not unconnected with the adverse effect of inflation on the purchasing power of the naira.

Be that as it may, we are pleased to inform you that we are set to distribute the sum of N233,552,180.92 to 1,923 beneficiaries in Lagos state. It is pertinent to admonish the zakat beneficiaries to make the best use of the zakat being allocated to them so that in the coming days, they will be self-reliant and financially independent during this harsh and difficult times and beyond.

Distinguished ladies and gentlemen, a cursory analysis of the sectorial allocation of the zakat fund shows clearly that over 50 percent of the zakat was allocated for economic empowerment to the tune of N224,853,483 for 1,900 beneficiaries to enable a number of them kick-start their businesses, while for others, it is to grow their existing businesses. It is gratifying to note that the sum of N64,895,655 was expended on 123 beneficiaries for medical intervention. Alhamdulillah, through this noble charitable deed, we were able to provide access to medical treatments for several less-privileged people who have regained good health while some are still in the process of receiving treatments. We pray ALLAH grants them speedy recovery.

It is noteworthy to mention that Zakat and Sadaqah Foundation has disbursed over 3 Billion Naira of zakat alongside other charitable fund within the span of 20 years it commenced zakat distribution. This has been given to over 100,000 direct beneficiaries and over 1,000,000 indirect beneficiaries across 27 states of the federation.

Furthermore, several communities suffering from deprivation of access to clean and safe drinking water had been supported with modern boreholes while underserved communities have been adequately attended to with sustainable clean and safe water.

The foundation has also sustained her educational services by returning several out-of-school children back to schools. Our back-to-school programmes ensure that orphans and indigents students are happy resuming back to school with all necessary items such as school uniforms, bags, books, writing material etc. We have been able to use zakat fund to turn around the fortune of active but poor individuals, allowing them to start or expand their small businesses. This has helped them become financially independent; thereby contributing to the development of the economy. Our skill acquisition and training programmes have helped many people become job providers while our mentorship programme has been guiding the numerous young entrepreneurs to stay focused on their goals of continuous business sustainability. Our direct supply of modern working tools to replace old ones has been a wonderful means of keeping several artisans in their various professions and trading.

Permit me to express our deep appreciation to all our zakat payers for your dedication and generous contribution towards the welfare and socio-economic wellbeing of the poor and needy. We urge all potential zakat payers to partner with Zakat and Sadaqah Foundation to create a better society where no person is excluded from benefiting from the public good. Your zakat can change lives positively. It can transform the conditions of families from hardship to ease, and from poverty to wealth as we have experienced from those who are already paying their zakat to our Foundation.

I pray that Allah rewards you abundantly in this world and the Hereafter for your continuous collaboration at all times.

Thanks and God bless.

Prince Sulayman Olagunju
Executive Director/CEO

ZAKAT DISBURSEMENT ACCORDING TO QURAN 9 VERSE 60

إِنَّمَا الصَّدَقَتُ لِلْفُقَرَاءِ وَالْمَسْكِينِ وَالْعَمِلِينَ عَلَيْهَا وَالْمُؤَلَّفَةِ قُلُوبُهُمْ وَفِي الرِّقَابِ وَالْغَرَمِينَ وَفِي سَبِيلِ اللَّهِ وَابْنِ السَّبِيلِ ۖ فَرِيضَةً مِّنَ اللَّهِ ۚ وَاللَّهُ عَلِيمٌ حَكِيمٌ

Zakah expenditures are only for the poor and for the needy and for those employed to collect [zakah] and for bringing hearts together [for Islam] and for freeing captives [or slaves] and for those in debt and for the cause of Allah and for the [stranded] traveler - an obligation [imposed] by Allah . And Allah is Knowing and Wise. (Quran 9 vs 60)

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF ZAKAT AND SADAQAT FOUNDATION

REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS

Opinion

We have audited the financial statements of **ZAKAT AND SADAQAT FOUNDATION**, which comprise, the statement of financial position as at 31 December 2023, the statement of activities and other comprehensive income, statement of changes in funds, and statement of cash flows for the year then ended; and notes to the financial statements, including a summary of the significant accounting policies and other explanatory notes.

In our opinion the accompanying financial statements give a true and fair view of the financial position of the Organisation as at 31 December 2023 and of its financial performance and cash flows for the year then ended in accordance with International Financial Reporting Standards, and in compliance with the relevant provisions of the Financial Reporting Council of Nigeria, Act No 6, 2011(as amended) and the Companies and Allied Matters Act, 2020.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the audit of the financial statements which also form part of this report. We are independent of the Organisation in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants together with the ethical requirements that are relevant to our audit of the financial statements in Nigeria, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the International Ethics Standards Board Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

The Trustees are responsible for the other information. The other information comprises the information that may be included in the Chairman's report, and Trustees' report but does not include the financial statements and our auditors' report thereon. Our opinion on the financial statements do not cover the other information and we do not express any form of assurance thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this information, we are required to report that fact; we have nothing to report in this regard.

Responsibilities of Trustees for the Financial Statements

The Trustees are responsible for the preparation and fair presentation of the financial statements in accordance with International Financial Reporting Standards issued by the International Accounting Standards Board, and in compliance with the relevant provisions of the Financial Reporting Council of Nigeria Act, No 6, 2011 (as amended) and the Companies and Allied Matters

Act, 2020, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the Organisation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the Organisation or to cease operations, or has no realistic alternative but to do so.

Auditors' responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with International Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is contained in an appendix to our report. This description forms part of our audit report.

Report on other legal and regulatory requirements

The Companies and Allied Matters Act, 2020 requires that in carrying out our audit we consider and report to you on the following matters. We confirm that:

- i) we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
- ii) in our opinion, proper books of account have been kept by the Organisation; and
- iii) The Organisation's statement of financial position, and its statement of activities and other comprehensive income are in agreement with the books of account.

Haffis Olatunbosun Edu, FCA

Appendix

Details of Auditors' responsibilities for the audit of the financial statements

As part of an audit in accordance with International Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Society's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- Conclude on the appropriateness of Management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Society's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Society to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, and significant audit findings and any significant deficiencies in internal control that we identify during our audit.

ZAKAT AND SADAQAT FOUNDATION
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2023

1.1 Corporate information and principal activities

Zakat and Sadaqat Foundation is the foremost Zakat Institution in the country. The foundation, otherwise known as ZSF came into being out of the concern to revive the most neglected pillar of Islam in the year 2000. The Corporate Affairs Commission of Nigeria incorporated it in 2006 (RC 212237). Its registered office is at Km32, Lagos – Ibadan Expressway, Boluwaji, Ibadan.

Our Vision

To be the foremost and leading Organisation committed to improving the welfare of less privileged and adding value to stakeholders' support.

Our Mission

To help the rich enrich the poor.
To care and touch people's life.
To benefit Muslims and humanity in general.

1.2 Basis of preparation and compliance with IFRS

The financial statements have been prepared in accordance with International Financial Reporting Standard (IFRS) as issued by the International Accounting Standards Board and the requirements of the Companies and Allied Matters Act, 2020.

The financial statements were authorised for issue by the Board of Trustees.

Basis of measurement

The financial statements have been prepared under the historical cost basis.

Functional and presentation currency

These financial statements are presented in Nigerian Naira, which is the Organisation's functional currency. Except otherwise indicated, financial information presented in Naira have been stated in absolute figures.

Use of estimates and judgements

The preparation of financial statements requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, incomes and expenses. The estimates and associated assumptions are based on historical experience.

1.3 Significant accounting policies

(a) Property, plant and equipment

(i) Recognition and measurement

Items of property, plant and equipment are measured at cost less accumulated depreciation and impairment losses. Cost includes expenditure that is directly attributable to the acquisition of the asset. When parts of an item of property, plant or equipment have different useful lives, they are accounted for as separate items (major components) of property and equipment.

(ii) Subsequent costs

The cost of replacing a part of an item of property, plant and equipment is recognised in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the Organisation and its cost can be measured reliably. The cost of the day-to-day servicing and maintenance of an item of property, plant and equipment are recognised in the income statement as incurred.

ZAKAT AND SADAQAT FOUNDATION
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2023

(iii) De -recognition

An item of property, plant and equipment is derecognised on disposal or when no future economic benefits are expected from its use. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of activities in the year the asset is de-recognized.

(iv) Depreciation of property, plant and equipment

Depreciation is recognised in the statement of activities on a straight-line basis to write down the cost of each asset, to their residual values over the estimated useful life of each part of an item of property, plant and equipment. Leased assets under finance lease are depreciated over the shorter of the lease term and their useful life.

Depreciation begins when an asset is available for use and ceases at the earlier of the date that the asset is derecognised or classified as held for sale in accordance with IFRS 5. An item of property, plant and equipment held for sale is not depreciated while it is classified as held for sale

The estimated useful lives for the current and comparative periods are as follows:

Motor vehicles	5 years
Furniture and fittings	5 years
Office equipment	5 years
Plant and Machinery	5 years
Building	Nil
Land	Nil

Capital work in progress is not depreciated. Upon completion it is transferred to the relevant asset category. Depreciation methods, useful lives and residual values are reassessed at each reporting date.

(b) Impairment of non -financial assets

The carrying amounts of the Organisation's non-financial assets are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

An impairment loss is recognised if the carrying amount of an asset or its cash-generating unit exceeds its recoverable amount. A cash-generating unit is the smallest identifiable asset of the Organisation that generates cash flows that largely are independent from other assets of the Organisation. Impairment losses are recognised in the statement of activities. Impairment losses recognised in respect of cash-generating units are allocated to reduce the carrying amount of the assets in the unit on a pro rata basis.

The recoverable amount of an asset or cash-generating unit is the greater of its value in use and its fair value less costs to sell. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset.

Impairment losses recognised in prior periods are assessed at each reporting date for any indications that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised
